# PROJECT PORTFOLIO

"We knew we could count on them to give us the best quality furniture, yet keep it within our limited non-profit budget. They were very helpful and accommodating during the planning process, and the installation went flawlessly. We hope to be able to use Innerplan again when we complete our second phase of the project in the years to come."

Jannell Mason, Executive Director  
Ronald McDonald House Charities® of Arkansas

# PROJECT PORTFOLIO

“Relying on a successful partnership with Innerplan Office Interiors is key to completing my projects!”

Carmen C. Brown, Designer  
Lewis Architects Engineers

“I’d definitely recommend them. They’re very professional and very polite. They did a good job and were quick with it. I love the product!”

Jacki Stafford  
Arkansas Department of Education

# PROJECT PORTFOLIO

"Working with the Innerplan team on our office buildout was a great experience. Innerplan designed the entire space and made the process seamless from furniture, paint, and carpet selection down to installation. As you can see, HoganTaylor has one of the best looking offices in Little Rock, thanks to Innerplan."

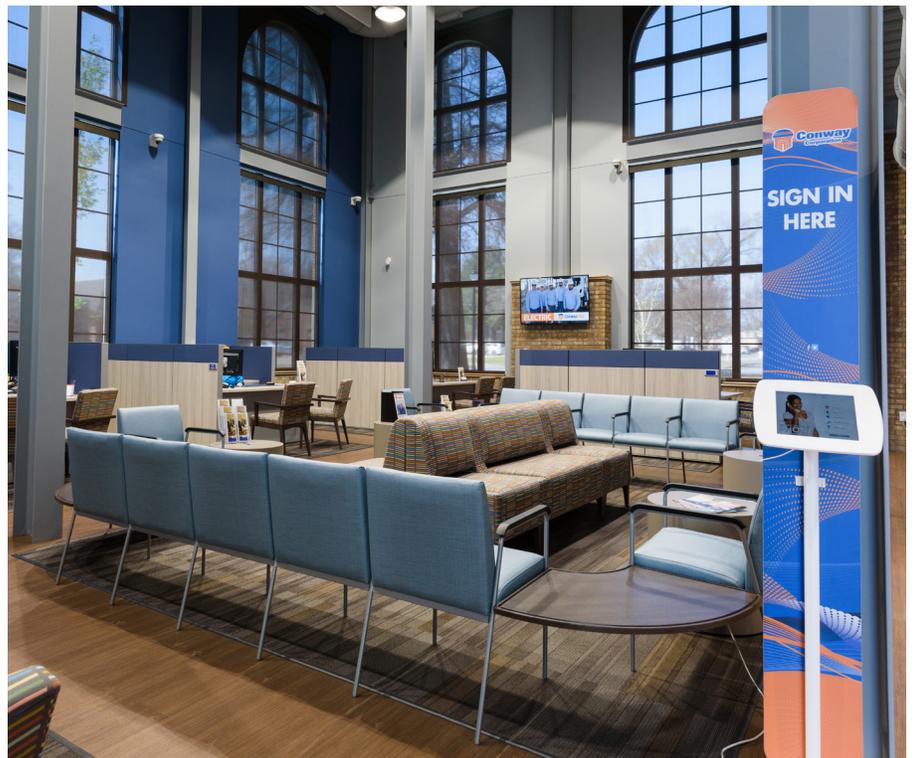

Cody Griffin  
HoganTaylor

# PROJECT PORTFOLIO

“From the conceptualization process to the plan execution, Innerplan delivers unparalleled service, on time, and within budget!”

Daniel C. Deguisne  
BKD, LLP

### Haworth Best In Class Dealer Designation - Innerplan's Multi-Year Distinction

To be recognized as Best In Class, a dealer must succeed not only in sales, but in all aspects of the business. Haworth recognizes and designates Preferred Best In Class dealers based on exceptional performance in market development, sales, customer satisfaction, operational excellence, and enterprise development.

A Haworth Best In Class dealer is measured holistically using a balanced scorecard methodology. Each dealer represents Haworth's values and brand while creating its own voice in the market. Best In Class dealers offer clients exceptional service, creating long-standing, mutually beneficial relationships.
